TEO WAN YIN

Software Engineer Intern | IT Student

OBJECTIVE

IT undergraduate seeking a Software Developer internship to apply hands-on skills in web development and databases to improve online customer experience, working with product, order and customer data in a global team.

PROJECTS & HACKATHONS

Snapstock – Product Capture Web App Sep 2026 – Oct 2026
React | Vite | PostgreSQL (Supabase) | JavaScript

- Built a bilingual, mobile-friendly app to photograph products, log stock and measurements, and file shipping-fee reports
- Added secure login, shared PostgreSQL database and cloud photo storage; deployed on Netlify

Codex Community Hackathon KL 2026 (OpenAI Build Week) Jun 2026
Team Participant | Applicant

- Pitched an AI virtual-queue app with estimated turn times and AI remedy suggestions to cut clinic waiting times, in a 150-participant selection round

SDG 08 Economic Growth Website Feb 2026 – Mar 2026
HTML | CSS | PHP | MySQL

- Built a database-driven website on UN SDG 08 using PHP and MySQL, with separate front-end and back-end

Coffee Shop Website Apr 2025 – May 2025
HTML | CSS | JavaScript

- Built a responsive multi-page site with a dynamic menu and login/signup with password hashing

Pokémon Text-Based Game Apr 2025 – May 2025
Python

- Built a turn-based battle game using OOP, with health tracking and win/loss logic

WORK EXPERIENCE

E-Commerce Seller, Klang Nov 2024 – Present
Shopee Store Operator | Part-Time

- Manage listings, inventory and orders; list ~20 products daily (300–400 monthly), helping increase sales
- Independently resolve customer disputes and overcharged shipping fees

LEADERSHIP & COMMUNITY

Group Leader, Community Service for Planetary Health Jun 2026 – Aug 2026
Sunway University × Sunway Desa Mentari | Group Leader

- Tackled illegal dumping at Desa Mentari Residence; coordinated teammates' tasks and deadlines
- Designed a weekly recycling-for-barter programme with project plan and RM580 budget, pitched to community leaders

Peer Mentor, Peer Mentoring Programme Jan 2024 – Jul 2024
Sunway College | Mentor

- Mentored a Year 1 ICT student via regular check-ins, raising their result from a D to a B

President, Adobe Masterclass Photoshop CCA Jun 2023 – Nov 2023
Nobel International School | President

- Led a 20-member club for a year, running weekly sessions and activity reports

Monitorial Board Jan 2022 – Nov 2023
Nobel International School | Class Monitor

- Served as class monitor, maintaining discipline and supporting school operations
